EXPERIENCE

TEACHING ASSISTANT FULL STACK WEB DEVELOPMENT

Ironhack - Remote - Nov '22 - Present

Provided valuable tips, detailed explanations, and comprehensive debugging support to enhance students' coding skills. Actively guided students through the entire project development process, offering assistance in organization, planning, task prioritization, and troubleshooting.

Collaborated with the teacher and colleagues to organize class activities, fostering a conducive learning environment. Actively maintained a high level of student engagement, promoting collaboration among students and creating a supportive learning atmosphere.

Monitored and assessed student performance by diligently reviewing homework submissions, delivering constructive and personalized feedback to improve code quality, addressing queries, and infusing empathy, support, encouragement, and fun into the students' learning progression, ensuring a holistic learning experience.

Project Development Facilitation | Classroom Collaboration and Engagement | Student Performance Evaluation and Holistic Support

DEPARTMENT MANAGER

Weekday - Amsterdam - '19 - '22
Zara Italia - Trieste, Merano, Bolzano - '09 - '18

Led dynamic teams across multiple locations, setting high standards through personal example. Monitored and reviewed both staff and store performance daily, fostering a culture of continuous improvement and achievement.

Ensured a positive work culture and productivity. Maintained accurate statistical and financial records to ensure operational precision, contributing to informed decision-making and strategic planning.
